

2019-20 Performance Indicators

One of our goals at North Point Elementary is to have highly qualified faculty. Over 50% of our teacher have a masters degree and 31% of our teachers have one or more endorsements in math, STEM, Sped, ELL, ALL and ASL.

A literacy goal we set for 2019-2020 year was to have 80% of our first graders to have a composite score of 155+ or higher on the Acadience test. By January, 92% of our first graders had a score of 155+ or higher. We credit the hard work of our first-grade team, as well as our coach for this accomplishment.

Although this wasn't a performance indicator, it is notable that North Point Elementary had a 95% retention rate for teachers.

Acadience 2019-2020 Results

Acadience is a K-3 screener used to assess student proficiency in their grade level foundational literacy skills.

Pointing the way to the Future

2019-20 Trustlands Plan

North Point Elementary School was allotted just under \$70,000 in Trustland funds for the 2019-20 school year. Last year, we focused on academic growth, and we saw large improvements in this area. The School Community Council decided to focus our 2019-20 goals in literacy and math. Our current Trustland goals and how the funds are being spent are shown as follows:

Goal # 1 (K-3 Literacy)

Our goal is to have 80% or more of our K-3 students met proficiency on the Winter DIBELs benchmark.

How funds were spent to achieve goal:

- DRA assessment time for teachers
- Aides for Home Reading and Double Dose
- “Rocket Readers” Kindergarten Early Intervention program
- Summer Jump Start Program for students about to enter 1st & 2nd grades
- Chromebooks for our lower grades
- Summer Collaboration Grants for teachers
- 12 Raz Kids site licenses for 12 K-2 classrooms
- 26 mini iPads for Kindergarten

Goal #2 (4-6 Literacy)

Our goal is to have over 60% of our 4th – 6th grade students reach proficiency level in Language Art as measured by the RISE assessment.

How funds were spent to achieve goal:

- Literacy Conferences and Conventions
- DOUBLE DOSE aides for reading and math interventions
- Summer Collaboration Grants for teachers
- Chromebooks to use with IXL, Lexia, typing, writing and various class projects

Goal #3 (4-6 Literacy)

Our goal is to have over 60% of our 3rd – 6th grade students reach proficiency level in Math as measured by the RISE assessment.

How funds were spent to achieve goal:

- We will buy a 400 student IXL Math site license for our 3rd – 6th grade students.

ABOUT OUR SCHOOL

North Point Elementary opened its door for the first time to students in 2009. Our school is now in its 12th year of operation. We have a campus of 13 acres.
